Kinesiology Taping

Kinesiology tape is a product that alleviates pain and facilitates lymphatic drainage by microscopically lifting the skin. It is a pure physical treatment without any medicine involved.

Latex free acrylic adhesive used on the tape allows it to adhere safely and comfortably to the skin. As it is heat-activated, the tape attached itself firmly to the skin even during vigorous activities.

Function

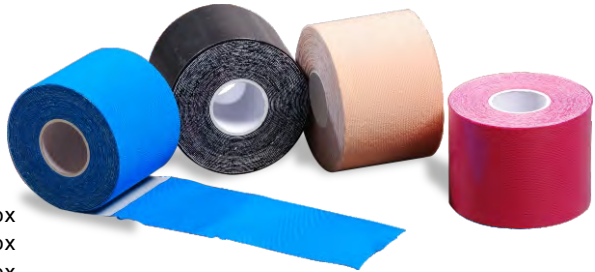

- 1.Normalize muscle configurations
- 2.Promote blood circulation, lymph, and other tissue liquids.
- 3.Relieve pain
- 4.Prevent articulation dislocation.
